Here's what to expect:

The Will & Rose Collection. In September 1942, Will and Rose meet at The Savoy Ballroom in Norwich, England. It is wartime. The world is uncertain. And in one moment, everything changes.

They spend one perfect month together before Will is called to serve in the war. For the next twelve months, they are separated by distance, by ocean, by the chaos of warfare. Their only connection is letters—letters that become their oxygen, their prayer, their proof that love can survive the impossible.
